

DALE JOHANNES

MEET YOUR AUCTIONEER

Dale is delighted to be a part of Artisan Auctions, bringing a mountain of charisma and experience along with him. He has worked extensively as an actor for over 30 years—no wonder he's excelled as a Master of Ceremonies for almost two decades as well! Dale has proudly worked in the field of HIV research and treatment for 24 years (and counting). He is the doting dad to two wonderful children and dearly devoted to the love of his life. Dale's got charm to spare and a twinkle in his eye that is focused on making YOUR event one to remember.
